II. General Loan Terms.

(a) Loans of Digital Currency or U.S. Dollars

Subject to the terms and conditions hereof, Borrower may, in its sole and absolute discretion, request from the Lender a Loan to Borrower of a specified amount of Digital Currency or U.S. Dollars, and Lender may, in its sole and absolute discretion, extend such Loan or decline to extend such Loan on terms acceptable to Lender and as set forth in a corresponding Loan Term Sheet.

(b) Loan Procedure

From time to time during the Term of this Agreement, during the hours of 9:00 am New York time to 4:00 pm New York time on a Business Day (the ***“Request Day”***), by email directed to lend@genesiscap.co (or such other address as Lender may specify in writing), an Authorized Agent of Borrower may request from Lender a Loan of a specific amount of Digital Currency or U.S. Dollars (a ***“Lending Request”***). Provided Lender receives such Lending Request prior to 3:00 pm New York time, Lender shall by email directed to Borrower Email (or such other address as Borrower may specify in writing) to inform Borrower whether Lender agrees to make such a Loan. If Lender fails to provide Borrower with an acceptance as to a particular Lending Request prior to Close of Business on the Request Day, such Lending Request shall be deemed to have been denied by Lender.

As part of its Lending Request, Borrower shall provide the following proposed terms:

- (i) Whether U.S. Dollars or Digital Currency, and if Digital Currency, the type of Digital Currency;
- (ii) the amount of Digital Currency or U.S. Dollars;
- (iii) whether the Loan is to be a Fixed Term Loan, a Term Loan with Prepayment Option, or an Open Loan;
- (iv) the Loan Effective Date; and
- (v) the Maturity Date (if a Fixed Term Loan or a Term Loan with Prepayment Option).

If Lender agrees to make a Loan, Lender shall commence transmission to either (x) the Borrower’s Digital Currency Address the amount of Digital Currency, or (y) Borrower’s bank account by bank wire the amount of U.S. Dollars, as applicable, as such Digital Currency Address or bank wire instruction is set forth in the Lending Request on or before Close of Business on the Request Day.

The specific and final terms of a Loan shall be memorialized using the Loan Term Sheet. In the event of a conflict of terms between this Master Loan Agreement and a Loan Term Sheet, the terms in the Loan Term Sheet shall govern.

(c) Loan Repayment Procedure

(i) Loan Repayment

Unless otherwise specified in subsections (ii) and (iii) below, upon the earlier of the Maturity Date, the Recall Delivery Day, or the Redelivery Day (as defined below) for a Loan, Borrower shall repay the entirety of the Loan Balance to Lender by Close of Business in the same Digital Currency of the Loan (in the case of Loans of Digital Currency) or in U.S. Dollars (in the case of Loans of U.S. Dollars).

Unless repayment instructions are included in the Loan Term Sheet for a Loan, prior to the repayment thereof, Borrower shall request in writing (to Lender Email) that Lender provide the Digital Currency Address for the return of a Loan of Digital Currency or the wire instructions for a repayment of a Loan of U.S. Dollars. If, upon timely making such request, Lender has not provided to Borrower a Digital Currency Address or wire instructions, as applicable, for receiving the return or repayment of a Loan by Close of Business on the day prior to the earlier of the Maturity Date, the Recall Delivery Day or the Redelivery Day, as applicable, then such Loan will become an Open Loan on said Maturity Date or Redelivery Day, whichever applicable, and no additional Loan Fees shall be accrued after the Maturity Date or the Redelivery Day.

(ii) Call Option

For Loans in which the Lender has a Call Option (e.g. Open Loans, etc.), Lender may during Business Hours (the "Recall Request Day") demand repayment of a portion or the entirety of the Loan Balance (the "Recall Amount"). Lender will notify Borrower of Lender's exercising of this right by email to Borrower Email. Borrower will then have until Close of Business on the second Business Day after the Recall Request Day (the "Recall Delivery Day") to deliver the Recall Amount.

In the event of a Call Option where Lender demands only a portion of the Loan Balance, Borrower shall repay said portion of the Loan Balance on the Recall Delivery Day and the remaining portion of the Loan Balance on the earlier of the Maturity Date or the subsequent Recall Delivery Day.

(iii) Prepayment Option

For Loans in which Borrower has a Prepayment Option (e.g. Open Loans, Term Loans with Prepayment Option, etc.), Borrower may notify Lender during Business Hours of Borrower's intent to repay such Loan prior to the Maturity Date or the date Lender exercises its Call Option. Borrower shall provide said notice at least three Business Days prior to the date on which the Borrower will repay all or a portion of the Loan Balance (said later date, the "Redelivery Day"). Borrower's exercising of its Prepayment Option shall entitle Borrower to repay any Loan in which Borrower has a Prepayment Option without premium or penalty, but it shall not relieve Borrower

of any of its obligations herein, including without limitation its payment of owed Loan Fees and Late Fees.

In the event of a Prepayment Option where the Borrower repays only a portion of the Loan Balance, Borrower shall repay said portion of the Loan Balance on the Redelivery Day and the remaining portion of the Loan Balance on the earliest of the Maturity Date, Recall Delivery Day, or subsequent Redelivery Day.

(d) Termination of Loan

A Loan will terminate upon the earlier of:

- (i) the Maturity Date for such Loan;
- (ii) the repayment of the Loan Balance by Borrower prior to the Maturity Date;
- (iii) the occurrence of an Event of Default as defined in Section VIII; however, Lender shall have the right in its sole discretion to suspend the termination of a Loan under this subsection (iii) and reinstitute the Loan. In the event of reinstitution of the Loan pursuant to the preceding sentence, Lender does not waive its right to terminate the Loan hereunder as a result of an Event of Default; or
- (iv) in the event any or all of the Loaned Assets becomes, in Lender's sole discretion, at risk of being: (1) considered a security, swap, derivative, or other similarly-regulated financial instrument or asset by any regulatory authority, whether governmental, industrial, or otherwise, or by any court of law or dispute resolution organization, arbitrator, or mediator; or (2) subject to future regulation materially impacting this Agreement, the Loan, or Lender's business.

Nothing in the forgoing shall cause, limit, or otherwise affect the Term or the Termination of this Agreement except as specified in Section XXV.

(e) Redelivery in an Illiquid Market

If, in the case of a Loan of Digital Currency, (i) the seven-day average daily trading volume across each of the three highest-volume digital currency exchanges that report prices for such Digital Currency (as measured by the 30-day average daily trading volume of the applicable Digital Currency on the Loan Date) (these such exchanges, the "Liquidity Exchanges") has decreased by 90% from the date of the Loan Term Sheet to the Maturity Date, Recall Delivery Day, or Redelivery Day, whichever applicable, or (ii) such Digital Currency ceases to be listed on any of the Liquidity Exchanges (the duration of either event herein designated, the "Illiquid Period"), Borrower may repay the Loan in U.S. Dollars equal to the volume-weighted average price of the Loaned Assets on the Liquidity Exchanges (measured at 4:00 p.m. New York time) during the Illiquid Period, up to a maximum of 30 days.

If, in the case of a Loan of Digital Currency, two of the three Liquidity Exchanges limit or suspend withdrawals or transactions in the Loaned Assets on the Maturity Date, the Recall Delivery Day,

or the Redelivery Day, whichever applicable, the requirement for Borrower to return the Loaned Assets shall be temporarily suspended, without penalty or default, including without limitation the incurring of additional Loan Fees, until such time that at least two of the Liquidity Exchanges allow the resumption of withdrawals of and transactions in the Loaned Assets.

III. Loan Fees and Transaction Fees.

(a) Loan Fee

Unless otherwise agreed, Borrower agrees to pay Lender a Loan Fee on each Loan. When a Loan is executed, the Borrower will be responsible to pay the Loan Fee as agreed to herein and annualized in the relevant Loan Term Sheet and subject to change if thereafter agreed by Borrower and Lender. Except as Borrower and Lender may otherwise agree, Loan Fees shall accrue from, but excluding, the date on which the Loaned Digital Currencies or Loaned U.S. Dollars are transferred to Borrower until, and including, the date on which such Loaned Digital Currencies are repaid in their entirety to Lender. For any Loan, the minimum Loan Fee shall be the Loan Fee that would accrue for one day.

Lender shall calculate any Loan Fees owed on a daily basis and provide Borrower with the calculation upon request. The Loan Fee will be calculated off all outstanding portions of the Loaned Digital Currencies. The Loan Fee is payable monthly by Borrower in arrears.

(b) Origination Fee

For certain Loans, Lender may charge Borrower a fee (the “Origination Fee”) to be paid at the time the Collateral is delivered to Lender. If an Origination Fee applies to a Loan, the Loan Term Sheet shall set forth the amount of the Origination Fee and whether the Origination Fee is to be paid in U.S. Dollars or in a Digital Currency.

(c) Late Fee

For each Calendar Day in excess of the Maturity Date or the Recall Delivery Day (whichever is applicable) in which Borrower has not returned the entirety of the Loaned Assets or failed to timely pay any outstanding Loan Fee in accordance with Section III(c), Borrower shall incur an additional nominal fee (the “Late Fee”) of a 10% (annualized, calculated daily) on all outstanding and overdue portions of the Loaned Digital Currencies and Loan Fees. If a Late Fee is imposed under this Section III(c) due to an event that would constitute an Event of Default under Section VIII, the imposition of a Late Fee by the Lender does not constitute a waiver of its right to declare an Event of Default for the same event.

(d) Payment of Loan Fees and Late Fees

Unless otherwise agreed, any Loan Fee or Late Fees payable hereunder shall be paid by Borrower upon the earlier of (i) five (5) Business Days after receipt of an invoice from Lender or (ii) the termination of all Loans hereunder. An invoice for Loan Fees and any Late Fees (the “Invoice Amount”) shall be sent out on the first Business Day of the month and shall include any Loan Fees

and Late Fees incurred during the previous month. Borrower shall have up to five (5) Business Days from the date of said invoice to pay the Invoice Amount. Failure of Lender to timely send an invoice in accordance with the preceding sentence shall not relieve Borrower of its obligation to pay any Loan Fees and Late Fees owed herein nor negate any Event of Default resulting from Borrower's failure to timely pay such fees. The Loan Fee and Late Fees shall be payable, unless otherwise agreed by the Borrower and Lender in the Loan Term Sheet, in the same Loaned Assets that were borrowed, whether U.S. Dollars or Digital Currency on the same blockchain and of the same type that was loaned by the Lender during the Loan.

Notwithstanding the foregoing, in all cases, all Loan Fees and Late Fees shall be payable by Borrower immediately upon the occurrence of an Event of Default hereunder by Borrower.

(e) Taxes and Fees

All transfer or other taxes or third party fees payable with respect to the transfer, repayment, and/or return of any Loaned Assets or Collateral hereunder shall be paid by Borrower. Except as set forth in the immediately preceding sentence, and except for any taxes payable as New Token Fees, neither Borrower nor Lender shall have any liability to the other party for any taxes due under this Agreement.

IV. Collateral Requirements

(a) Collateral

Unless otherwise agreed by the parties, or modified in the Loan Term Sheet or as set forth below, Borrower shall provide as collateral an amount of U.S. Dollars or Digital Currency (such choice at the sole discretion of the Lender) to be determined and agreed upon by the Borrower and Lender ("Collateral") and memorialized using the Loan Term Sheet. Unless otherwise agreed by the parties in the Loan Term Sheet, the Collateral shall initially be 120% of the value of the Loaned Assets, such value determined by a spot rate agreed upon in the Loan Term Sheet. Borrower shall, prior to or concurrently with the transfer of the Loaned Assets to Borrower, but in no case later than the Close of Business on the day of such transfer, transfer to Lender the agreed upon Collateral.

Collateral shall always be valued in U.S. Dollars, but Borrower may, if mutually agreed by both parties, provide the Collateral (in whole or in part) to Lender in Digital Currency in an amount equal to the value of the Collateral in U.S. Dollars at a spot rate determined by Lender. For the avoidance of doubt, upon the repayment of the Loaned Assets at the termination of a Loan, Lender shall return to Borrower the same amount and type of Collateral that was deposited, net of any Additional Collateral or Margin Call adjustments (as defined below in Section IV(c)). If a Hard Fork in the blockchain of the Digital Currency serving as Collateral meeting the criteria in Section V occurs while Lender is holding Digital Currency as Collateral, Lender shall return the New Tokens to Borrower in addition to the Collateral and Additional Collateral. If such a Hard Fork occurs that does not meet the criteria in Section V, Lender shall have no obligation to return any New Tokens to Borrower.

The Collateral transferred by Borrower to Lender, as adjusted herein, shall be security for Borrower's obligations in respect of such Loan and for any other obligations of Borrower to Lender hereunder. Borrower hereby pledges with, assigns to, and grants Lender a continuing first priority security interest in, and a lien upon, the Collateral, which shall attach upon the transfer of the Loaned Assets by Lender to Borrower and which shall cease upon the return of the Loaned Assets by Borrower to Lender. In addition to the rights and remedies given to Lender hereunder, Lender shall have all the rights and remedies of a secured party under the UCC.

Unless otherwise agreed by the parties in the Loan Term Sheet, during the Loan Term of the Loan, Borrower agrees and affirms Lender's entitlement to and use of the Collateral, including but not limited use in lending, investing, transferring to bank and other accounts upon which Lender, or a third party, is the account holder or the beneficiary, or re-pledging as collateral in other transactions involved with Lender's digital currency lending and borrowing business. Such entitlement and use shall not relieve Borrower or Lender of any of its obligations hereunder.

(b) Loan and Collateral Transfer

If Lender transfers Loaned Assets to Borrower and Borrower does not transfer Collateral to Lender as provided in Section IV(a), Lender shall have the absolute right to the return of the Loaned Assets; and if Borrower transfers Collateral to Lender, as provided in Section IV(a), and Lender does not transfer the Loaned Assets to Borrower, Borrower shall have the absolute right to the return of the Collateral.

(c) Margin Calls

If during the Loan Term of a Loan the value of the Loaned Assets increases, or the value of the Collateral decreases, so that the value of the Loaned Assets becomes equal to or greater than the value of the Collateral (the "Margin Call Limit"), Lender shall have the right to require Borrower to contribute additional Collateral so that the Collateral is at least the same percentage indicated in Section IV(a) relative to the value of the Loaned Assets (the "Additional Collateral"). The parties may modify this standard in the Loan Term Sheet by (i) setting a different ratio of the value of the Loaned Assets and Collateral or (ii) the creation of a Margin Call rate to be indicated on the Loan Term Sheet, as measured by the spot rate published on Coinbase Pro (such rate, the "Margin Call Spot Rate") over the spot rate indicated in the Loan Term Sheet, or the prior Margin Call Spot Rate, as applicable. In the event of the creation of a Margin Call Spot Rate, Lender shall have the right to require Borrower to contribute Additional Collateral so that the Collateral is at least the same percentage in the applicable Loan Term Sheet, relative to the value of the Loaned Assets at the Margin Call Spot Rate.

In the event the value of the Loaned Assets decreases below the value of the Collateral, Lender may, at its sole discretion, return a portion of the Collateral in an amount determined by Lender; however, in such an event, Lender reserves its rights under this Section IV to request Borrower to contribute collateral up to the original amount of Collateral and also Additional Collateral if required.

If Lender requires Borrower to contribute Additional Collateral, it shall send an email notification (the “First Notification”) to the Borrower at the Borrower email address indicated in Section I (or such other address as the parties shall agree to in writing) that sets forth: (i) the value of the Loaned Assets, (ii) the value of the Collateral, (iii) the Margin Call Spot Rate, if applicable, and (iv) the amount of Additional Collateral required based on the Margin Call Limit or, if applicable, the Margin Call Spot Rate. Borrower shall have six (6) hours from the time Lender sends such First Notification to (x) respond and send payment to Lender in accordance with subsection (d) below, or (y) respond that the value of the Loaned Assets, value of the Collateral, or spot rate as indicated on Coinbase Pro, as applicable, has decreased sufficiently such that it is no longer at or above the Margin Call Limit or, if applicable, the Margin Call Spot Rate. If Lender agrees by email that Borrower’s response according to (y) above is correct, then no other action is required by Borrower. If Lender fails to agree by email with Borrower’s response in accordance with (y) by Close of Business that same day, such shall be deemed as Lender’s rejection of Borrower’s response and a re-statement of Lender’s original demand for Borrower to contribute Additional Collateral.

If Borrower fails to respond to the First Notification within six (6) hours, or Lender rejects Borrower’s response pursuant to (y) above, whether affirmatively by email or by non-reply as set forth above, Lender shall send a second email notification (the “Second Notification”) repeating the information in provisions (i) – (iv) in the preceding paragraph. Borrower shall have three (3) hours from the time Lender sends the Second Notification to respond according to (x) or (y) in the preceding, and Lender has the right to accept or reject Borrower’s response as stated above. Upon Lender’s rejection of Borrower’s response to the Second Notification, whether affirmatively by email or by non-reply by the Close of Business that same day, Borrower shall make immediate payment of Additional Collateral as set forth in Section IV(d) below. Failure to provide Additional Collateral, or failure by Borrower to respond to either the First Notification or the Second Notification, shall give Lender the option to declare an Event of Default under Section VIII below.

Borrower acknowledges that its obligations hereunder, including those in this Section IV, continue regardless of Lender’s request for Additional Collateral and Borrower’s acceptance or rejection of the same.

(d) Payment of Additional Collateral

Payment of the Additional Collateral shall be made by bank wire to the account or to the Digital Currency Address, as applicable, specified in the Loan Term Sheet or by a return of the amount of Loaned Assets (for any Loan other than a Fixed Term Loan) necessary to make the Collateral percentage indicated in the Loan Term Sheet correct based on the Margin Call Limit or, if applicable, the Margin Call Spot Rate.

(e) Return of Collateral

Upon Borrower’s repayment of the Loan and acceptance by Lender of the Loaned Assets into Lender’s Digital Currency Address, with such delivery being confirmed on the relevant Digital Currency blockchain ten times, Lender shall initiate the return of Collateral within five (5)

Business Days to a bank account designated by Borrower or, where Digital Currency is Collateral, into an applicable Digital Currency Address on the behalf of Borrower.

V. Hard Fork

(a) Notification

In the event of a public announcement of a future Hard Fork or an Airdrop in the blockchain for any Loaned Assets or Collateral, Lender shall provide email notification to Borrower.

(b) No Immediate Termination of Loans Due to Hard Fork

In the event of a Hard Fork in the blockchain for any Loaned Assets or an Airdrop, any outstanding Loans will not be automatically terminated. Borrower and Lender may agree, regardless of Loan type, either (i) to terminate the Loan without any penalties on an agreed upon date or (ii) for Lender to manage the Hard Fork on the behalf of Borrower. If the Lender manages the Hard Fork on behalf of Borrower, Borrower shall return the Loaned Assets to Lender two business days prior to the scheduled Hard Fork or Airdrop. Lender shall not be obligated to return any Collateral to the Borrower during the period in which Lender manages the Loaned Assets on the behalf of Borrower. Lender shall fork the Loaned Assets, and following the Hard Fork shall return to Borrower the Loaned Assets but not any New Tokens (as defined below). For any whole days in which Lender manages the Loaned Digital Currency pursuant to this section, the Loan Fee for those days shall not accrue. Nothing herein shall relieve, waive, or otherwise satisfy Borrower's obligations hereunder, including without limitation, the return of the Loaned Assets at the termination of the Loan and payment of accrued Loan Fees, which includes the per diem amounts for days on which Borrower transfers Digital Currency to Lender and Lender transfers said Digital Currency back to Borrower pursuant to this section.

(c) Lender's Right to New Tokens

Genesis will receive the benefit and ownership of any incremental tokens generated as a result of a Hard Fork in the Digital Currency protocol or an Applicable Airdrop (the "New Tokens") if the following two conditions are met:

- *Market Capitalization*: the average market capitalization of the New Token (defined as the total value of all New Tokens) on the 30th day following the occurrence the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 5% of the average market capitalization of the Loaned Assets (defined as the total value of the Loaned Assets) (calculated as a 30-day average on such date).
- *24-Hour Trading Volume*: the average 24-hour trading volume of the New Token on the 30th day following the occurrence of the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 1% of the average 24-hour trading volume of the Loaned Assets (calculated as a 30-day average on such date).

For the above calculations, the source for the relevant data on the, market capitalization, and 24-Hour trading volume will be blockchain.info (or, if blockchain.info does not provide the required

information, bitinfocharts.com, and if neither provides the required information, the parties shall discuss in good faith to mutually agree upon another data source).

If the Hard Fork or Applicable Airdrop meets the criteria above, Borrower will have up to sixty (60) days from the Hard Fork or Applicable Airdrop to transfer the New Tokens to Genesis. If sending the New Tokens to Genesis is burdensome, upon Lender's written agreement with Borrower, Borrower can reimburse Genesis for the value of the New Tokens by either (i) a one-time payment in the same Loaned Assets transferred as a part of the Loan reflecting the amount of the New Tokens owed using the spot rate determined by Lender in its reasonable discretion at the time of said repayment, or (ii) returning the borrowed Digital Currency so that Genesis can manage the split of the underlying digital tokens as described in Section V(b) above. Alternatively, subject to Lender's written agreement, the parties may agree to other methods of making Lender whole for Borrower's failure to transfer New Tokens to Lender. In all cases, Borrower will be solely responsible for payment of additional costs incurred by any transfer method other than returning the New Tokens to Lender, including but not limited to technical costs, third party fees, and tax obligations for the transaction, including but not limited to a tax gross-up payment (collectively, the "New Token Fee"). For the avoidance of doubt, if Borrower returns a Loan to Lender prior to the 30th day following a Hard Fork, Borrower's obligations under this Section V shall continue for any New Tokens that meet the criteria in this subsection (c) for such Loan on the 30th day following the Hard Fork. Lender's rights to New Tokens as set forth in this Section shall survive the termination of the relevant Loan, return of the Loaned Assets, and Termination of this Agreement. If Borrower fails to transfer the New Tokens to Lender, or provide alternative compensation to Genesis as agreed to in accordance with this subsection, within sixty (60) days from the Hard Fork or Applicable Airdrop, such failure will be considered an Event of Default in accordance with Section VIII(d), and Borrower shall incur an additional fee (the "Hard Fork Fee") equal to 10% (annualized, calculated daily) of all such overdue amounts outstanding and overdue portions of the Loaned Digital Currencies and Loan Fees. Lender's charging of the Hard Fork Fee does not constitute a waiver of its right to declare an Event of Default for the same event.

VI. Representations and Warranties.

The parties to this Agreement hereby make the following representations and warranties, which shall continue during the Term of this Agreement and any Loan hereunder:

In the event Lender exercises its rights under this Section, Lender may elect in its sole discretion, in lieu of purchasing all or a portion of the replacement Digital Currencies or selling all or a portion of the Collateral, to be deemed to have made, respectively, such purchase of replacement Digital Currencies or sale of Collateral for an amount equal to the price therefor on the date of such exercise obtained from a generally recognized source.

- (d) To the extent that the Loans are now or hereafter secured by property other than the Collateral, or by the guarantee, endorsement or property of any other Person, then upon an Event of Default by Borrower, Lender shall have the right in its sole discretion to determine which rights, security, liens, security interests or remedies Lender shall at any time pursue, relinquish, subordinate, modify or take any other action with respect thereto, without in any way modifying or affecting any of them or any of Lender's rights hereunder.
- (e) In connection with the exercise of its remedies pursuant to this Section IX, Lender may (1) exchange, enforce, waive or release any portion of the Collateral or Loans in favor of the Lender or relating to any other security for the Loans; (2) apply such Collateral or security and direct the order or manner of sale thereof as the Lender may, from time to time, determine; and (3) settle, compromise, collect or otherwise liquidate any such Collateral or security in any manner following the occurrence of an Event of Default, without affecting or impairing the Lender's right to take any other further action with respect to any Collateral or security or any part thereof.

Rules, or such other applicable arbitration body as required by law or regulation, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction. The parties agree to waive their rights to a jury trial. If any proceeding is brought for the enforcement of this Agreement, then the successful or prevailing party shall be entitled to recover attorneys' fees and other costs incurred in such proceeding in addition to any other relief to which it may be entitled.

- (a) Each Party to this Agreement shall hold in confidence all information obtained from the other Party in connection with this Agreement and the transactions contemplated hereby, including without limitation any discussions preceding the execution of this Agreement (collectively, "Confidential Information"). Confidential Information shall not include information that the receiving Party demonstrates with competent evidence was, or becomes, (i) available to the public through no violation of this Section XIV, (ii) in the possession of the receiving Party on a non-confidential basis prior to disclosure, (iii) available to the receiving Party on a non-confidential basis from a source other than the other Party or its affiliates, subsidiaries, officers, directors, employees, contractors, attorneys, accountants, bankers or consultants (the "Representatives"), or (iv) independently developed by the receiving Party without reference to or use of such Confidential Information.
- (b) Each Party shall (i) keep such Confidential Information confidential and shall not, without the prior written consent of the other Party, disclose or allow the disclosure of such Confidential Information to any third party, except as otherwise herein provided, and (ii) restrict internal access to and reproduction of the Confidential Information to a Party's Representatives only on a need to know basis; *provided, however*, that such Representatives shall be under an obligation of confidentiality at least as strict as set forth in this Section XIV.
- (c) Each Party also agrees not to use Confidential Information for any purpose other than in connection with transactions contemplated by this Agreement.
- (d) The provisions of this Section XIV will not restrict a Party from disclosing the other Party's Confidential Information to the extent required by any law, regulation, or direction by a court of competent jurisdiction or government agency or regulatory authority with jurisdiction over said Party; *provided* that the Party required to make such a disclosure uses reasonable efforts to give the other Party reasonable advance notice of such required disclosure in order to enable the other Party to prevent or limit such disclosure. Notwithstanding the foregoing, Lender may disclose the other Party's Confidential Information without notice pursuant to a written request by a governmental agency or regulatory authority.
- (e) The obligations with respect to Confidential Information shall survive for a period of three (3) years from the date of this Agreement, or if later, the Termination of this Agreement. Notwithstanding anything in this agreement to the contrary, a Party may retain copies of

Confidential Information (the “Retained Confidential Information”) to the extent necessary (i) to comply with its recordkeeping obligations, (ii) in the routine backup of data storage systems, and (iii) in order to determine the scope of, and compliance with, its obligations under this Section XIV; provided, however, that such Party agrees that any Retained Confidential Information shall be accessible only by legal or compliance personnel of such Party and the confidentiality obligations of this Section XIV shall survive with respect to the Retained Confidential Information for so long as such information is retained.

Either Party may change its address by giving the other Party written notice of its new address as herein provided.

XVI. Modifications.

All modifications or amendments to this Agreement shall be effective only when reduced to writing and signed by both parties hereto.

XVII. Single Agreement

Borrower and Lender acknowledge that, and have entered into this Agreement in reliance on the fact that, all Loans hereunder constitute a single business and contractual relationship and have been entered into in consideration of each other. Accordingly, Borrower and Lender hereby agree that payments, deliveries, and other transfers made by either of them in respect of any Loan shall be deemed to have been made in consideration of payments, deliveries, and other transfers in respect of any other Loan hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted. In addition, Borrower and Lender acknowledge that, and have entered into this Agreement in reliance on the fact that, all Loans hereunder have been entered into in consideration of each other. Accordingly, Borrower and Lender hereby agree that (a) each shall perform all of its obligations in respect of each Loan hereunder, and that a default in the performance of any such obligation by Borrower or by Lender (the “Defaulting Party”) in any Loan hereunder shall constitute a default by the Defaulting Party under all such Loans hereunder, and (b) the non-defaulting Party shall be entitled to set off claims and apply property held by it in respect of any Loan hereunder against obligations owing to it in respect of any other Loan with the Defaulting Party.

XVIII. Entire Agreement.

This Agreement, each exhibit referenced herein, and all Loan Term Sheets constitute the entire Agreement among the parties with respect to the subject matter hereof and supersedes any prior negotiations, understandings and agreements. Nothing in this Section XVIII shall be construed to conflict with or negate Section XVII above.

XIX. Successors and Assigns.

This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that Borrower may not assign this Agreement or any rights or duties hereunder without the prior written consent of the other Party (such consent to not be unreasonably withheld). Lender may assign this Agreement or any rights or duties hereunder upon notice to Borrower. Notwithstanding the foregoing, in the event of a change of control of Lender or Borrower, prior written consent shall not be required so such Party provides the other Party with written notice prior to the consummation of such change of control. For purposes of the foregoing, a “change of control” shall mean a transaction or series of related transactions in which a Person or entity, or a group of affiliated (or otherwise related) Persons or entities acquires from stockholders of the Party shares representing more than fifty percent (50%) of the outstanding voting stock of such Party. Neither this Agreement nor any provision hereof, nor any Exhibit hereto or document executed or delivered herewith, or Loan Term Sheet hereunder, shall create any rights in favor of or impose any obligation upon any Person or entity other than the parties hereto and their respective successors and permitted assigns. For the avoidance of doubt, any and all claims and liabilities against Genesis arising in any way out of this Agreement are only the obligation of Genesis, and not any of its parents or affiliates, including but not limited to Digital Currency Group, Inc. and Genesis Global Trading, Inc. The Parties agree that none of Genesis’ parents or affiliates shall have any liability under this Agreement nor do such related entities guarantee any of Genesis’ obligations under this Agreement.

XX. Severability of Provisions.

Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

XXI. Counterpart Execution.

This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by email or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

XXII. Relationship of Parties.

Nothing contained in this Agreement shall be deemed or construed by the Parties, or by any third party, to create the relationship of partnership or joint venture between the parties hereto, it being understood and agreed that no provision contained herein shall be deemed to create any relationship between the parties hereto other than the relationship of Borrower and Lender.

XXIII. No Waiver.

The failure of or delay by Genesis to enforce an obligation or exercise a right or remedy under any provision of this Agreement or to exercise any election in this Agreement shall not be construed as a waiver of such provision, and the waiver of a particular obligation in one circumstance will not prevent Genesis from subsequently requiring compliance with the obligation or exercising the right or remedy in the future. No waiver or modification by either Party of any provision of this Agreement shall be deemed to have been made unless expressed in writing and signed by both parties.

XXIV. Indemnification.

A Party shall indemnify and hold harmless the other Party, or any of its parents or affiliates, from and against any and all third party claims, demands, losses, expenses and liabilities of any and every nature (including attorneys' fees of an attorney of Genesis' choosing to defend against any such claims, demands, losses, expenses and liabilities) that it may sustain or incur or that may be asserted against it arising out of Genesis' lending of Digital Currency to Borrower under this Agreement, except for any and all claims, demands, losses, expenses and liabilities arising out of or relating to that Party's bad faith, gross negligence or willful misconduct in the performance of its duties under this Agreement. This indemnity shall be a continuing obligation of Borrower, its successors and assigns, notwithstanding the Termination of this Agreement.

XXV. Term and Termination.

The term of this Agreement (the "Term") shall commence on the date hereof for a period of one year, and shall automatically renew for successive one-year terms annually, unless either Party provides notice of a desire to terminate the contract no less than ten (10) days prior to the end of such one-year period. The foregoing notwithstanding, this Agreement may be terminated as set forth in Section VIII or upon 30 days' notice by either Party to the other (the "Termination").

In the event of a Termination of this Agreement, any Loaned Assets shall be redelivered immediately and any fees owed shall be payable immediately.

XXVI. Miscellaneous.

Whenever used herein, the singular number shall include the plural, the plural the singular, and the use of the masculine, feminine, or neuter gender shall include all genders where necessary and appropriate. This Agreement is solely for the benefit of the parties hereto and their respective successors and assigns, and no other Person shall have any right, benefit, priority or interest under, or because of the existence of, this Agreement. The section headings are for convenience only and shall not affect the interpretation or construction of this Agreement. The Parties acknowledge that the Agreement and any Lending Request are the result of negotiation between the Parties which are represented by sophisticated counsel and therefore none of the Agreement's provisions will be construed against the drafter.
